Vindis Group Paint & Body Centre

Paint and body repairs to a standard that both you and your car will approve

“ Insist on 50 years of
Vindis Group
customer service
excellence”

Welcome to Vindis Group

Damage to your car is always upsetting, even a minor scrape can involve you in a great deal of disruption, paperwork and stress.

At Vindis Group Approved Paint & Body Centre we understand this.

That's why we make sure that we do everything we can to make the process of repairing your car as painless as possible. From help with insurance claim administration, through supply of a loan car (subject to availability) to collection of your car, repaired to original condition, you will find our staff both understanding and eager to help. Our Paint & Body Centre is equipped with the latest Volkswagen Group technology.

You choose your car because of its quality refinement and performance, make sure that it is not compromised by a poor quality repair which could affect its future value and safety performance.

Remember you are entitled to insist that your car is repaired by an Approved Paint & Body Centre.

We honestly hope that you never need to use our services, but if you do you can rest assured that your car is being repaired by the experts. In the meantime drive safely.

What to do in the event of an accident

STOP

Remain at the scene of the accident. Keep calm. Inform the police if anyone is injured. Do not move anyone who is seriously injured.

BE SAFE

If the accident represents a hazard to other road users warn traffic and summon assistance if required.

INSURANCE

You may be asked by anyone involved in the accident or any witness for details of your insurance. If you do not have these details with you, you must provide your vehicle registration number, name and address. You should obtain similar information from any other party involved in the accident. Should any party refuse to supply this information note their vehicle registration and report the incident to the police.

Do not admit liability to anyone, regardless of who is to blame for the accident. If you do admit liability the insurance company may reject your claim.

RECORD DETAILS

Record any details and any information that may have influenced the accident including date, time, location, weather, visibility, traffic flow etc. Also, make a sketch of the scene showing vehicle positions, position of any witnesses at time of accident, north direction, skid marks (if any) and hazards or obstruction. Show types of car and note damage..
